

Andrew B.

Age: 14

Joined Troop: 05-12-03

Eagle rank Earned: 10-26-06

Eagle Project: My project is to repair the landscaping beds around First Baptist Church in Duncan, Oklahoma. The landscaping beds are old, decaying and overrun. These beds are in need of removal of unwanted plants, trees, dead plants and dead trees, and old mulch material. New trim edging needs to be applied for certain areas to prevent erosion and old edging needs repairing. New mulch layer will be added to landscaping beds.
